PROFESSIONAL EXPERIENCE

Atyaf Company,
backend developer (PHP Laravel) Training 
December 2021 – 2022 | gaza, Palestine
I completed a training program in backend web development using PHP Laravel, SQL, and GraphQL. I gained hands-on experience developing scalable web applications using PHP Laravel, while utilizing SQL for database management and GraphQL for API development.

Frontend React.js Developer

As a ReactJS frontend developer, I have gained experience through personal website projects and other self-directed initiatives. I have developed a strong understanding of React fundamentals and best practices, and have applied these skills to create dynamic and responsive user interfaces. Through my personal website, I have showcased my ability to build and deploy web applications, while continuously improving my skills in web development. I am currently working on a new professional web full-stack application, which will further enhance my skills and experience as a ReactJS developer.
